## **No Objections Certificate Guide**

## **Introduction:**

This document provides a framework for issuing a No Objection Certificate (NOC) to players who play cricket in Switzerland and want to play abroad.

All reasonable requests for a NOC will be granted, if they fulfil the interest of Cricket Switzerland, including the following parameters and process:

## **Swiss Senior Men's Competitions Players, and National Squad Members**

1. The NOC applies to members of clubs who compete in Swiss domestic senior men's competitions and to club members who are in Swiss National squad (25-30 members).
2. The NOC form filled (Appendix) should be sent to the following persons in this order:
  - Club Secretary
  - International Match Manager (If applicable)
  - Secretary, Cricket Switzerland, for final processing.
3. Only matches, events, leagues, etc. which fall under the ICC approved domestic tournaments and leagues fall under the requirement of an NOC.
4. The NOC shall be renewed on a yearly basis.
5. The applicant and other signatories confirm that there is no conflict with the requirement to play for the club in domestic competitions and for the National Squad in case he is selected to play for Switzerland.
6. The form must be sent at least 2 weeks prior to the intended first participation date in a foreign domestic competition.

## **Failure to Compliance**

It is the sole responsibility of the player to obtain NOC before playing for another organization. Any violations will be referred to the league disciplinary committee and can result in penalty.
