Roles and responsibilities of CS Board Members

The Board. The Cricket Switzerland Board Directors are collectively responsible for overseeing the management and development of cricket in Switzerland. They shall set the strategic direction of the organisation and ensure that it is aligned with the interests of the sport and its stakeholders and that it complies with all applicable laws, ethical obligations and regulations. Individual roles and responsibilities shall in principle include:

Chair. The Chair (the Officer) provides leadership and ensures that strategic focus is maintained. The Officer represents Cricket Switzerland to cricketing organizations and institutions at national and international levels and maintains good relations with them. The Officer shall act and guide his/her colleagues on the Board to promote cricket in Switzerland. The Officer shall chair the Annual General Meeting (AGM) and all meetings of the Board).

Secretary. The Secretary (the Officer) shall have overall responsibility for the administration of the organisation, including member relations, preparation of the national development plan and ensuring compliance with its Constitution, and the codes and regulations of Swiss Olympic (SO), the International Cricket Council (ICC) and other national sporting authorities. The Officer shall organise and manage the meetings of the Board, the Council, and the General Meeting, The Officer shall advise and assist the Chair with relations with external sporting and other authorities.

Director Finance. The Director Finance (the Officer) shall manage the finances of the organisation, including budgeting, forecasting, analysis, and reporting. He/she shall ensure compliance with financial regulations and standards. The Officer shall have oversight of the fundraising, procurement, tendering, and stock control functions. The Officer shall prepare and present to the ICC and the AGM a budget for the forthcoming financial year and shall be responsible for the organisation operating within budget. The Officer shall maintain relations with the auditor/s of the organisation's financial records and ensure that SO, then ICC and the CS members are annually in receipt of independently audited accounts and associated Auditor's report. The Officer shall provide financial advice to the organisation's leadership.

Director Competitions. The Director Competitions (the Officer) shall develop and implement strategies to achieve sustainable success and maintain competitive balance in all formats of the domestic senior men's game. The Officer shall also ensure efficient implementation of the talent pathways into the competitions in coordination with the Director of Development. The Officer shall work with a Competitions Committee to create a culture and environment where clubs and individual players can play to their highest standards. The Officer shall also have overall responsibility for maintaining exacting standards of umpiring and scoring, and for discipline, including interacting with the appointed Committees to achieve this goal.

Director Development. The Director Development (the Officer) shall develop and implement strategies for the successful functioning of junior male cricket in Switzerland and coaching development. The Officer shall have oversight of all junior male competitions and activities, and junior male international activities up to and including the under 17 age group. The Officer will be responsible for development and implementation of the talent pathways for the players. The Officer shall work with the chairs of the Committees to create a culture and environment

where clubs and individual players can play to their highest standards. The Officer shall ensure exacting standards of coaching and ensure continuing coaching development.

Director High Performance. The Director High Performance (the Officer) shall develop and implement strategies to achieve sustainable success in all formats of the game at the national level for senior men and under 19 men. The Officer will be responsible for the management of the talent pathway for the elite players and implementation of performance strategies. The Officer shall work in conjunction with the selection committees for each group to create a culture and environment to enable players and teams to perform to their highest standards. The Officer shall recommend to the Board for its adoption the coaches, necessary support staff and any infrastructure required for each group, The Officer shall ensure the timely selection of national teams that represent Switzerland in international competitions and oversee succession plans for players and leaders.

Director Women's Cricket

The Director Women's Cricket (the Officer) shall develop and implement strategies to achieve sustainable success and maintain competitive balance in all formats of the domestic girls and women's games and national competitions. The Officer shall ensure that the metrics necessary for women's cricket to be part of the ICC competitions pathway are achieved on a sustainable basis. The Officer shall be responsible for the implementation of the talent pathways for women (domestic and elite) and the implementation of the performance strategies. The Officer shall collaborate with the various Committees to create a culture and environment where clubs, teams and individual players can play to their highest standards. The Officer shall recommend to the Board for its adoption the coaches, necessary support staff and any infrastructure required for each group, The Officer shall ensure the timely selection of national teams that represent Switzerland in international competitions and oversee succession plans for players and leaders.
